

Basic inventory list Vendsysselvej

Since Danish tenants normally move into rooms without any loose furniture/equipment; the Housing Foundation Copenhagen and the owner of the apartment have provided some basic items for each room that we allocate students to.

The purpose is to assist the international student with the problem of arriving to an empty room, having to immediately go purchase furniture, and equipment – only to have to sell everything again upon departure. However, our basic equipment may not always cover everything that you personally desire and some may want to supplement the equipment yourself (especially items to make it cozy or if you have specialized needs). The basic equipment belongs to the Housing Foundation Copenhagen and must remain in the room regardless of whether or not you make use of it yourself. They may also not be left in the common room (except the kitchen equipment). The provided items can be older/used but should not be broken. You pay a minor amount a month to cover wear and tear – but any damages which occur during your stay will be deducted from your deposit. If any items are missing or damaged (not just worn) upon moving in, please report it in your online Flow. Minor items (for instance such as lamps and kitchen equipment) are picked up by the student at the Housing Foundation Copenhagen's offices (no delivery). Please note that previous students may have left additional items behind in your personal room – these items are not part of the basic equipment and are not serviced. Such items can be disposed of by the student in the designated area for larger garbage. The below are the items which we have provided and therefore offer service for

Kitchen:

- dining table
- 2 dining chairs
- built-in fridge with freezer
- oven
- stove top
- dishwasher
- under cabinet light with remote control
- Cabinet with shelves (it is about the built-in kitchen cabinets)
- Kitchen lamp: it is about ceiling lamp in the kitchen

*Kitchen items: we do not supply any more so I removed it from the list as well as other items which are not available in these apts.

Hallway:

- clothes hanger on the wall (optional - not in all apts.)
- built-in cupboard
- flat doormat

Living room:

- 2 persons sofa
- sofa table
- desk
- desk chair
- desk lamp
- standing lamp
- 1 picture
- bookshelf (wooden color)
- drawer chest (white, with 4 drawers) - only in the middle apts (mf.TV & mf.TH)
- wardrobe (white, with 3 drawers, rail for clothes hangers and mirror)
- trash can
- internet router

NOTE: NO floor protectors available/needed where the desk chairs castors/wheels were changed to glides.

Bedroom:

- Top mattress 150x200 cm
- double bed: 150x200 cm (made of 2 single beds attached together)
- 2 bedside tables with drawer (wooden color)
- 2 bedside lamps
- drawer chest (wooden color with 5 drawers)
- 1 picture
- trash can

*Blinds and ceiling lamps are installed in all the rooms (included the bathroom).

Bathroom: with shower, shower curtains, bathroom sink cabinet, toilet & mirror.

Please note that there are 4 apartments on each floor. The 2 middle ones (the middle to the LEFT and the middle to the RIGHT) are bigger so an extra furniture is placed in the living room: white drawer chest with 4 drawers. This is not available for the apartments to the LEFT and to the RIGHT, as they are smaller apartments.

“Usables”

Also note that the Housing Foundation Copenhagen does not exchange your “usables”. You buy and put in your own light bulbs, batteries for smoke alarm, exhaust filter, vacuum cleaner bags etc. You are expecting to check if this needs replacing before reporting an item damaged.
