

Cleaning plan

We highly recommend that you clean often to maintain a nice environment in your room and a good indoor climate. Below you can find some cleaning guidelines for your cleaning routine during your everyday life.

Daily cleaning

- Wipe all surfaces (Kitchen, living room, bathroom)
- Clean the drain in the kitchen (don't leave food in the sink)
- Empty the kitchen bin
- Ventilate your room 3 x times daily for around 10 minutes.
- Remove hair from the floor in the bathroom and drain every time you showered

Weekly cleaning

- Empty the bin and sort the waste in correct containers and make sure to recycle correctly
- Clean the shower, toilet, mirror and wipe surfaces
- Clean the drain in the shower (remove hair and pour soap and boiling water into the drain)
- Vacuum and mop the floor
- Change the towels
- Change towels
- Change bedding

Monthly Cleaning

- Clean the drain thoroughly in the shower (remove hair and pour soap and boiling water into the drain) You can find a guideline in the residence handbook
- Remove limescale/Calcium from the shower head
- Remove limescale/calcium in the bathroom
- Wash the shower curtain
- wipe the cabinets in your kitchen
- Wipe the cabinet/shelves in the toilet
- Clean the windows on the inside

Departure cleaning

We have made a special departure cleaning checklist. You can find it on our webpage under "Departure".
