HOUSING NEEDS

DISABILITY

If you are physically disabled, make sure to read the [information here](#) before clicking 'Yes'. Please note that you must indicate this the first time you apply for housing with us. Please contact us before you are making the booking so we can meet your required needs. You can only apply for disability housing within the first week of the booking round. The deadline for applying is **5th of December 2022**.

Next, upload documentation of your disability. For example, this could be a document from your doctor or home university confirming you special need. Please also include your personal description of your need (though this should not stand alone).

Proceed with the ensuing steps and book the most suitable accommodation option currently shown on your Flow. You will receive an email when your disability application is processed. If approved, you will receive an offer for a more suitable accommodation.

RENTAL PERIOD CONFIGURATION

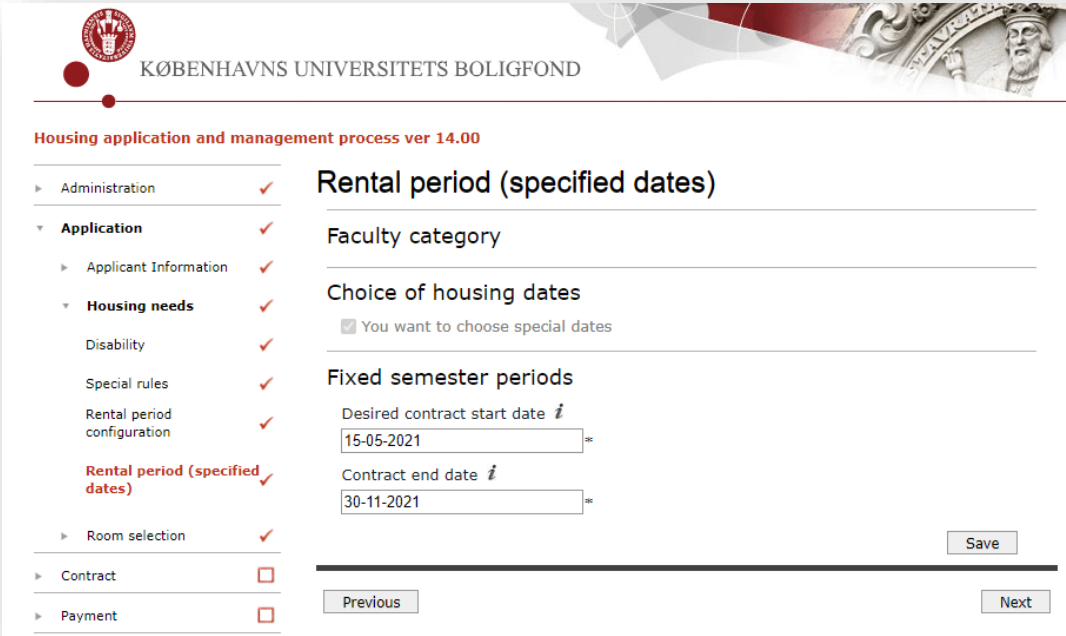

We offer accommodation from 3 months minimum up to one year for staff members.

On the page 'Rental period configuration', you must tick the box 'You want to choose special dates'. Then click 'Save' and 'Next'.

You will now come to the page 'Rental period (specified dates)', where you set your desired start and end dates for your room search.

Please note: This tells the system what your search dates will be. The start date you enter may not be the actual contractual start date of your rental accommodation, as this depends on the accommodation's availability. However, the end date you provide will be the date on which your contractual rental period ends.

- The start date can only be the 1st or the 15th of a month. The end date can only be /30th/31st (last day) of a month.
- There is a 7-day period at the end of your rental period, during which you cannot live in the accommodation due to repairs and cleaning. For example, if your contractual rental period ends on the 31st of a month, you must move out no later than 12 noon on the 24th. This inspection period is non-negotiable. You must remember to consider this when planning your stay.

TIPS FOR AVOIDING UPLOAD ISSUES

- If you have issues uploading the files, it may be that your files need to be in a different format. Convert your files to PDFs using the following website: <https://smallpdf.com/pdf-converter>
- If your PDF file is too big, you can easily compress it by going to the following website: <https://Smallpdf.com/compress-pdf>
- If you are away from home or on holiday, it can help to use a scanning app on your phone, which can make PDF files of your scans (e.g. Genius Scan, which you can download from Google Play).

IMPORTANT INFORMATION REGARDING BOOKING

Please consider the following information thoroughly before making a booking:

- **Sign and upload the contract** within three days. Otherwise, you risk losing your booking. You risk cancellation of your booking without any further notice if you do not upload your contract on time.
- **Pay on time:** Please refer to the 'Payment Information' section and expand the 'Payment plan' section.

IMMEDIATE BOOKINGS – CONTRACTS THAT START THE SAME DAY AS MAKING THE BOOKING

If you book a room where the contract start **begins immediately (the same days as making the booking)**, you must abide by a number of additional parameters. Before you make a booking, please be aware of the following:

- **The contract must be uploaded on the same day**, otherwise you risk losing the booking. The three-day rule does not apply. Cancellation fee will still apply.
- **The payment must be made on the same day**, as the rental period has already begun. You will need to pay the deposit plus three months of rent.
- **You cannot cancel the booking manually.** You will need to notify our office immediately if you want to cancel the booking and a cancellation fee will apply.
- **You must confirm your booking within 24 hours.** You will receive a separate e-mail regarding your 'Booking Confirmation' along with your contracts. You need to reply to this e-mail immediately to confirm your booking, otherwise you risk losing the booking.

CONTRACTS THAT START LESS THAN 14 DAYS AFTER MAKING THE BOOKING

If you book a room that **starts within 14 days after making the booking** then you must abide by the following:

- **The contract must be uploaded within 3 days and before the contract start date**, otherwise you risk losing your booking. The three-day rule does not apply if the booking starts before three days.
- **The payment must be made before the contract start date.** You may check the due date on your flow once the booking has been made.
- **You cannot cancel your booking manually.** You will need to notify our office immediately if you want to cancel the booking and a cancellation fee will apply.
- **You need to confirm your booking.** You will receive a 'Booking Confirmation' e-mail separately along with your contracts and you need to reply to this e-mail to confirm your booking.

PAYMENT

It is important to pay the first payment (3 months' rent + deposit) within the deadline otherwise, the booking will be cancelled and you will also have to pay a fee. (Paying after a deadline will first result in a late payment reminder fee after 7 days. If you then also do not complete the payment within 10 after receiving the late fee then your booking will be cancelled and you will be charged the relevant cancellation charges.)

Bookings with more than 14 days before contract start date:

You must pay the first instalment (3 months' rent + deposit) within 14 days of the initial booking.

Bookings with less than 14 days before contract start date:

If your contract begins within 14 days of your booking, then you must make sure you pay in time for the contract start date. Please read more about your [payment plan here](#).

Note: if there is no minus in front of the amount, it means you have paid ahead and you do not owe anything right now. You can only make a payment when there is a minus in front of the amount in the 'Balance due soon' box. To change the amount you wish to pay, please proceed to the step 'Payment Amount'. How to save bank transfer fees for the return of your deposit:

When your contract with us ends, the deposit will automatically be returned into the credit card account which you have used for your initial payment, but ONLY if you pay at least the deposit amount in your initial payment. If you choose to pay the deposit in a later payment or if the credit card used for the payment has expired, the return of your deposit needs to happen via bank transfer and the transfer fees from both your bank and from the UCPH Housing Foundation will be charged to you.

The amount is due now or within a short period

Account data

In the following extract you can see your current account status. There is a number of 'non-payment postings' which together make up your payment plan. Each has stated a credit amount for anything credited to you or a debited amount which are the amounts you need to pay during your stay. If you pull the bar down to the bottom, you see the 'payment postings' which are any payments we have received from you. The very last statement is your current balance.

Please press the button below labeled Show payment plan to see the balance for your account.

PAYMENT PLAN

The payment plan is an overview of all your payments (past and future).

To see payment plan follow these steps:

- Go to Payment
- Click on Make a payment
- Click on Account status
- At the bottom of the page in Account data section click on Show payment plan (see picture above)

At the bottom of the 'Account Status' page there is a section called '**show payment plan**'. Click on this button to see an overview of all the charges due during your tenancy and their payment deadlines, as well as your made payments.

It is your own responsibility to follow the payment plan, as you do not receive an invoice from the Housing Foundation. Failing to pay on time will result in late payment reminder fees.

PAYMENT METHODS

The Housing Foundation offers three different payment methods; via credit card, bank transfer and by using Mobile Pay app. **Please read about these methods to see which is best for you here.**

This very first payment should include at least the amount of your deposit, in order for us to have the largest possible criteria for success of refunding you to your credit card, and with that, you avoid the fee for refunding you via bank transfer. Please read more here.

1. PAYMENT VIA CREDIT CARD

A separate company called Teller/Nets provides the online payment platform for this. Teller/Nets accepts all kind of credit and debit cards. By using this online payment platform, you avoid paying the fee we charge for receiving bank transfers and manually returning a deposit. Please note that it is not possible to pay via American Express cards.

However, in some rare cases Teller/Nets may apply charges for using a credit card. The charges are automatically added to the amount you selected to pay to The Housing Foundation Copenhagen when you use the online payment platform. These extra charges to Teller/Nets will not appear in your Account Status, as they are not paid to The Housing Foundation Copenhagen. However, they will appear on your credit card or bank statement. Therefore, it is up to you to decide whether paying by credit card is cheaper than making a bank transfer or using the Mobile Pay app.

To ensure that we can return your deposit to you without extra costs, please note the following when paying the deposit and first instalments by credit card:

- Ensure that the credit card will still be valid 6 months after the end of your contract, when making the payment. This is when we will attempt to return the deposit directly to your card.
- The deposit will be returned to the latest used credit cards when we return the deposit to you the deposit will be returned to the latest used credit cards. Please have that in mind when you make your last payment.

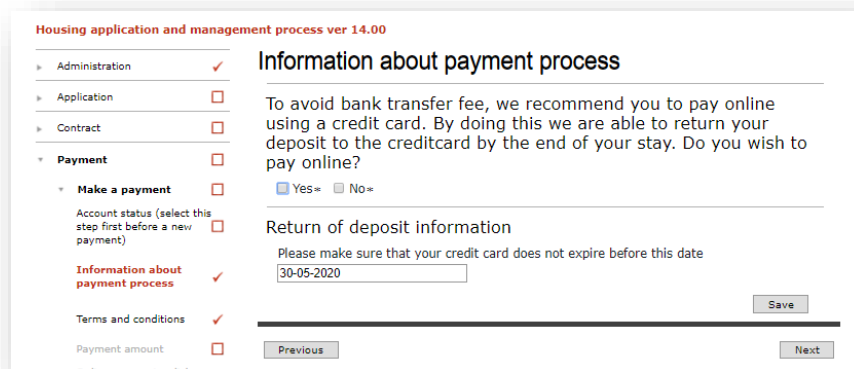

If the credit card used is still valid at the time of the return and if nothing blocks your card from receiving money directly from our bank, we will be able to return your deposit directly to your card without additional cost. Otherwise, we have to return the deposit to your bank account, which will entail a transfer charge. Please find more information here.

HOW TO MAKE YOUR PAYMENT

In order to make a payment always refresh the page and click on the payment section. It is recommended that you use the left-side menu highlighted in yellow below.

- Refresh your flow and go to Payment
- Click using the left-side menu on Make a payment
- Click on Account status

The screenshot shows a web interface titled "Housing application and management process ver 14.00". On the left is a navigation menu with items: Administration (checked), Application, Contract, Payment (expanded), Make a payment, Account status (select this step first before a new payment), Information about payment process (checked), Terms and conditions (checked), and Payment amount. The main content area is titled "Information about payment process" and contains the following text: "To avoid bank transfer fee, we recommend you to pay online using a credit card. Below this is a section for "Return of deposit information" with a text input field containing "30-05-2020" and a "Save" button. At the bottom of the form are "Previous" and "Next" buttons.

2. PAYMENT VIA BANK TRANSFER

You can find The Housing Foundation bank details on our [website](#). It is important to type your Tenant ID when making the bank transfer in the message to sender box so that we can identify your payment.

Please remember to include both your own bank's fees as well as The Housing Foundation Copenhagen's fee for reception of payments via bank transfer. Otherwise, you will find that you have transferred less than the due amount.

3. PAYMENT VIA MOBILE PAY

Please remember to type your tenant ID in your text, in order for us to allocate the money to your account.

CHANGING ROOMS

Everyone is allowed to change rooms once during their tenancy. When changing rooms, the system will create **a combined booking where you keep your current room until you move to the next one.**

You are financially responsible for both bookings. If you do not sign and upload your rental contract within the 3 days deadline, we will cancel your new booking and you will be charged **early cancellation fee**. Please note, that once your new booking is cancelled it means that your current room will be shortened.

The system will automatically change your payment plan and transfer any already made payments from the old to the new room booking.

Note, that you cannot change rooms if living in **Bikuben, Øresundskollegiet, or Tietgenkollegiet**, as these dorms wish to have only long-term tenants. RMC & ITU students are also not allowed to change rooms.

Please be aware that changing rooms this way entails the following:

- **A 7-day interval between move-out and move-in:** There is a seven-day gap after you move out of your old apartment and before you can move into the new apartment. During this time, we conduct any necessary repairs and cleaning. We do not offer alternative accommodation for you during this period.
- **A moving fee** is only charged if you move from a non-social dorm to another non-social dorm. Please see our list of fees here

HOW TO CHANGE ROOMS:

- Go to Room Availability page, select your new desired room.
- Press 'Save' and 'Next' to proceed to Room Acceptance.
- Room Acceptance will ask you to confirm the room change.
- Tick the box "I want to keep the last room booking only" to ensure that you only keep your latest booking, not the old and new one both.
- You will also need to tick the box under "Booking Notification" (even though you are not making a combined booking, as it says here).
- Then tick the box under "Acknowledgement for reading the Booking Manual". Otherwise, the system will not allow you to complete the new booking.
- You will receive two rental contracts. The system will send you the contract for your new room for you to sign and upload. It will also send a contract of your old room, **with an updated end date in Section 11**. You also need to sign and upload this contract to establish your new shortened end date for the first room booking.

Once you accept the room, the change is instantly in effect and the old room becomes available to others as the contract end date is shortened.

CANCELLATION OF BOOKINGS

The possibility to cancel your booking free of charge depends on when you made the booking and when the contractual tenancy period begins.

CANCELLING WITHIN 14 DAYS AFTER BOOKING

In general, you have a 14-day 'cooling-off' period from the date you make your booking during which you can cancel a booking. However, this only applies if:

- The rental period has not yet begun
- It is not an immediate booking

If there are less than 14 days from the date, you make your booking until the contract starts:

If you have confirmed your booking then your cooling-off period lasts until the rental period begins (Then it is less than 14 days).

HOW TO CANCEL YOUR BOOKING:

- Go to **Cancellation**
- Click **Cancellation of Bookings**: change the tick from "No, I do not wish to cancel my bookings" to "Yes, I wish to cancel my bookings" and click 'SAVE'.
- Then use the **left-hand menu** to manually navigate to the sub-step click on **Confirm booking cancellation**: tick off 'Yes' and SAVE. If you skip this second confirmation step, then you have not cancelled.
- Send us an email to make sure you have cancelled successfully.

The screenshot shows the 'Housing application and management process ver 12.12' interface. On the left is a navigation menu with the following items: Administration (checked), Application (checked), Contract (unchecked), Download contract and upload signed contract (checked), Cancellation (unchecked), Cancellation of bookings (checked), Confirm booking cancellation (unchecked), and Payment (unchecked). The main content area is titled 'Confirm booking cancellation' and contains a 'Booking Cancellation' section. Under 'Booking Details', it states: 'You are cancelling: Enghavevej Shared Apartments - 1L-2 (1st floor left, room 2), single room for 1 person in a shared apartment 2016-07-15 - 2017-07-14'. Below this, there is a checked checkbox for 'I confirm my wish to cancel above booking'. At the bottom right of the main content area is a yellow 'Save' button. At the bottom of the page are 'Previous' and 'Next' buttons, with the 'Next' button highlighted in yellow.

OTHER CANCELLATION SCENARIOS

BEFORE THE TENANCY START DATE, BUT MORE THAN 14 DAYS AFTER BOOKING

If 14 days have already passed since your booking date, and you wish to cancel, you must email The Housing Foundation Copenhagen explicitly stating that you wish to cancel the booking. You are required to pay **1 month of rent plus the cancellation fee**. Even if you have not signed the rental contract. [Please see the fees list here.](#)

ROOMS WITH AN IMMEDIATE TENANCY START DATE

If you have confirmed your booking then the 14-day cooling-off period does not apply if you book a room with an immediate start date. If your rental contract's tenancy period has already begun, and you wish to cancel, you must email us immediately explicitly stating your desire to cancel. You must pay **1 month of rent plus the withdrawal fee**. Even if you have not signed the rental contract. [Please see the fees list here.](#)

AFTER THE FIRST RENTAL DAY, BUT IN THE FIRST MONTH (WITHOUT MOVING IN)

If your rental period has not yet surpassed 1 month, and you want to cancel your contract, you must email The Housing Foundation Copenhagen explicitly stating that you wish to cancel the booking. You must pay the **withdrawal fee plus 1 month of rent**. Even if you have not uploaded a signed rental contract. [Please see the fees list here.](#)

AFTER MOVING IN, OR MORE THAN ONE MONTH AFTER THE FIRST RENTAL DAY

It is no longer possible to cancel the rental contract. You may shorten your tenancy, but the minimum booking period of three months applies. Please see this document's section '[Shortening](#)' in the chapter '[Changing your rental duration](#)' for how to shorten your tenancy with us.

CANCELLING THE FIRST OF TWO BOOKINGS

You cannot cancel a booking if you already made a second booking after it. If you make two bookings, it is not possible to cancel the first booking (especially when the rental period begins immediately). You must pay for the first booking and the second one, because you have inhibited others from booking and paying rent on the first room. This applies even if you have not uploaded a signed contract and you have not physically entered the room.

ROOM CHANGE CANCELLATION

If you do not sign and upload your rental contract within the 3 days deadline we will cancel your new booking and you will be charged early cancellation fee. Please note, that once your new booking is cancelled it means that your current room will be shortened.

MOVE IN, KEYS AND YOUR ROOM INSPECTION

MOVE-IN DATE AND KEY PICK UP

You can pick up your keys the first day of your contract start date or later. The lease begins on the date stated in your contract. Should that date be a Saturday, a Sunday, or a holiday, the date on when the lease is transferred to the tenant is moved to the following working day. This information is also written in your rental contract. Before you book your tickets to Copenhagen, you will need to take our opening hours into account since **we do not hand out keys outside our opening hours**.

Find all the information needed for key pick up here
<http://housingfoundation.dk/your-stay-arrival/>

MOVE IN INSPECTION

When you have picked up your keys you will be called in for a professional move in inspection. Our professional inspectors will come to your accommodation and inspect it together with you (if you can't make the date, they can do this in your absence – The time for the inspection is not negotiable). They will make a move in inspection report and mark any damages, missing things or things to remark. Hereafter they will send you the move in inspection report by email to you. The reason why they are making the inspection is to know the state of the room and make sure you will not be responsible for any damages or missing things by move in.

At the end of your stay you will have a move out inspection where the inspector again report the state of the room. You will also be called in for that inspection. If you cannot attend, the inspectors will still make the inspection, make report, and send it to you. If any damages has happened during your stay or the cleaning was done insufficiently, you might have to pay for it. This might be deducted from your security deposit depending on the damage and price.

MOVE-IN ISSUE REPORT

Besides from the professional move in inspection you also have 14 days from the day you pick up the keys to report issues.

For example, if you picked up your keys on 1st September, your last day for reporting issues is 14th September.

If you believe something is missing or damaged, or if your room is not in a satisfactory condition that was not already noted in your move in issue report made by the inspectors, please take photos and place these with descriptions in "My Move in Issue report template". You can download the template at our home page under the section called Arrival.

How to make the issue report:

- Go to the 'Move In' section in the left-hand menu then click on Inspection and open the page 'Reporting of issues at time of moving in'. Click on the text 'Repair or Complaint' to reveal a tick box, then tick "Yes, there is an issue" to activate the next section. Press 'SAVE' and 'NEXT'.
- You then proceed to the 'Issue report' page (it will also appear on the left-hand side menu). This is where you actually make your report for our inspectors to see.
- It is very important that you use "My Move in issue report template" and upload it to the booking system.
- After uploading the move in issue report, **you cannot modify/update your report later on**. Finalise the report by clicking 'Save'.

Our inspectors will respond to your report at the next opportunity. You can read the response from the inspector in your Online Flow. Either our inspectors will explain how you can handle the issue yourself, or they will visit your room to look into it. If you report wear and tear, they will simply confirm that you will not be held responsible for these issues.

In peak periods, our inspectors will not be able to respond straight away, as they will need to go through a significant amount of reports. Once they know the wider context of all issues, they will prioritize issues according to urgency.

CLEANING ISSUES WHEN MOVING IN

If you experience that a room is not clean when you move in, **report this to us over telephone or in person within 24 hours**. Please also send picture documentation via email. It is very important that this is reported immediately, so we can send our cleaners to fix the issue straightaway. But please note, the cleaning company may in some cases not be able to come on the same day.

You cannot leave the issue unreported, then leave the room dirty when departing, claiming there was also a problem upon move-in. You are required to report it with photos for documentation—then we can send the cleaners in to fix the problem. Unfortunately, if you chose to do the cleaning yourself before the cleaners arrive, we cannot offer you any refund for your work. We can only send the cleaning company to take care of any remaining issues.

EXTENSION

You can extend your contract if you have not stayed with us for one full year.

The screenshot shows the 'Housing application and management process ver 12.12' interface. On the left is a navigation menu with items: Administration (checked), Application (unchecked), Applicant Information (checked), Housing needs (unchecked), Disability (checked), Rental period configuration (unchecked), Rental period (specified dates) (unchecked), Room selection (unchecked), Contract (unchecked), Payment (unchecked), Move in (unchecked), and Move out (unchecked). The main content area is titled 'Rental period (specified dates)' and contains the following sections: 'Faculty category', 'Choice of housing dates', 'Fixed semester periods', and 'Allocation period'. Under 'Allocation period', there are two date input fields: 'University admittance/employment standard date' with the value '15-08-2016' and 'Contract end date' with the value '31-01-2017'. A 'Save' button is located at the bottom right of the form area, and 'Previous' and 'Next' buttons are at the very bottom.

STEPS:

- Go to **Rental period configuration** and make sure the tick box 'You want to choose special dates' is ticked (if not, untick the current box, then choose 'special dates'). Remember to click 'Save'.
- Then go to **Rental period (specified dates)**, where you change your contract's end date, and click 'Save'. (This date can only be the last date of a month)
- Go to **Room Availability**: if your current room is visible, it means that you are able to extend the contract. Select your current room again. Click 'Save'.
- Go to **Room Acceptance**: confirm all the details, and finalize the extension by pressing 'Save' and 'Next'. The extension will not be complete without this step.
- We will send you a new housing contract that reflects the extended date. Please check that your new contract does indeed reflect your extension. You then upload the updated contracts within 3 days as you did the first time.

SHORTENING

If you wish to shorten your contract, you must email the Housing Foundation Copenhagen, clearly stating that you wish to shorten your contract and providing a desired **end date, which must be the last day of a month**.

Staff can cancel if they provide a minimum **notice period of three whole months plus running calendar month**. Please have in mind that you still have to move out 7-days before the new contract end date due to the move out inspection.

Remember it is illegal to sublet your room and advertise the room on social media or any media webpage. This is a breach of contract and will result in serious consequences.

MOVE OUT

Please make sure to carefully read the [departure information on our website well in advance of your departure](#), and remember to leave adequate time for cleaning your room. Remember to take returning the keys into consideration when making departure plans. **The keys must be returned at the latest by 12 noon 7- days before your contract ends** (your final possible departure date).

CLEANING

Your apartment should undergo a thorough cleaning before you depart, and there should be no indication of a build-up of calcium, grease, dirt, etc. If any area is left unclean, you will be charged the same cost that our cleaning company charges The Housing Foundation Copenhagen for their services. The cost of cleaning in Denmark is comparatively high to other countries, so please take care.

You will be charged for any broken items. Wear and tear stemming from normal and correct use of the accommodation is acceptable.

[Please see our website for more information of how you should leave the room.](#)

DEREGISTRATION OF CPR NUMBER FROM ADDRESS

You **must** deregister your CPR number from the address when moving out. This is a legal obligation and a very serious matter—forgetting to deregister will lead to issues with the authorities later. As soon as the next incoming tenant registers, the authorities will know if you did not deregister correctly and contact you.

RETURNING YOUR DEPOSIT

The deposit is subject to deductions because of the inspection, unreturned or lost keys, missing rent, or any other damages caused during your stay. Any remainder will be returned to you. The deposit or the remainder thereof is normally returned within 8 **weeks of your** last rental day, as long as you have provided all the relevant information for us to make the transfer.

The option to have your deposit returned to your credit card will be active, if:

- You paid with credit card
- The card is still valid 6 months after your contract end date
-

If you want this:

- Go to the 'Move Out' section in your flow
- Open the 'Returning your deposit' page.
- There, tick off 'yes' and click 'SAVE'.
