## BE A **RESIDENT ASSISTANT (RA)** IN A STUDENT DORMITORY

---

Housing Foundation Copenhagen is seeking a Resident Assistant to live at **Engvej Studios** in Amager. You work a paying job and we guarantee that you can rent a room at Engvej Studios, at the following conditions:

Salary: 132 DKK/hour. Work hours: 8-10 hours/week on average.[1]

Rent: 8.535,00 DKK/month (incl. bills & furniture)[2]. Room size: 23m<sup>2</sup> (netto).

Contract length: One year for both housing and work, with the possibility of extension.

### Who we are:

Housing Foundation Copenhagen is non-profit foundation helping international students and researchers find accommodation in Copenhagen. We help c. 2000 people a year. See more info on our website.

### What we offer:

- An international student community: As an RA, you work and live with people from around the world, building an international network.
- Flexible working hours: You choose your working hours, allowing you do your job alongside your studies.
- Varied tasks and personal responsibility: From welcoming new students and organising social events to reporting problems and helping those who lost keys, you ensure that life at the dormitory goes smoothly for everyone.

### Who we are looking for:

- You are a student or will be soon.
- Can speak and write English fluently; knowledge of Danish is desired, but not required.
- Are naturally service-minded and want to help others.
- Have experience living abroad, e.g. as an exchange student (desired, not required)
- Are a responsible person who pays attention to detail and delivers high-quality work.
- Are flexible and thrive in an environment where no two days are the same.

If this is you, send your application to [contact@housingfoundation.ku.dk](mailto:contact@housingfoundation.ku.dk). We interview candidates on a running basis, as we want someone to **start 2nd of January 2024**.

---

[1] The workload varies across the year, with especially busy periods being July–September & January–February, when many tenants move in and out.

[2] If you wish to provide your own furniture, the rent will be reduced by 250 DKK/month.
