HOW TO REPORT THE WRONG ADDRESS ON GOOGLE MAPS

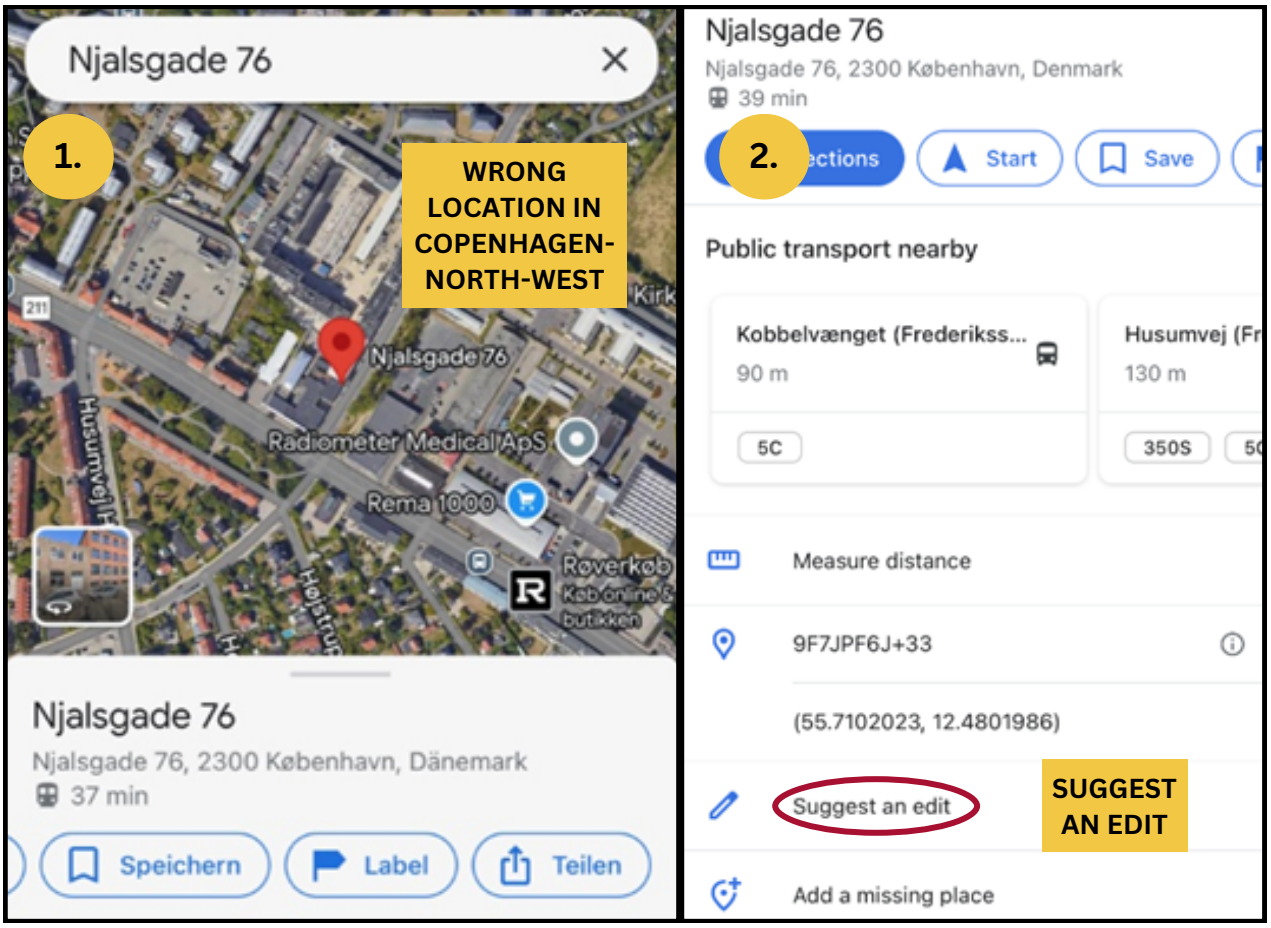
GUIDE

Dear Tenant,
We are currently experiencing an **issue with our address on Google Maps**, which may direct you to the **wrong location** in town. To pick up your key or visit our office, please ensure you come to **our South Campus office near the Islands Brygge metro station**. You should also be sent to the right place if you type in “Housing Foundation Copenhagen”.

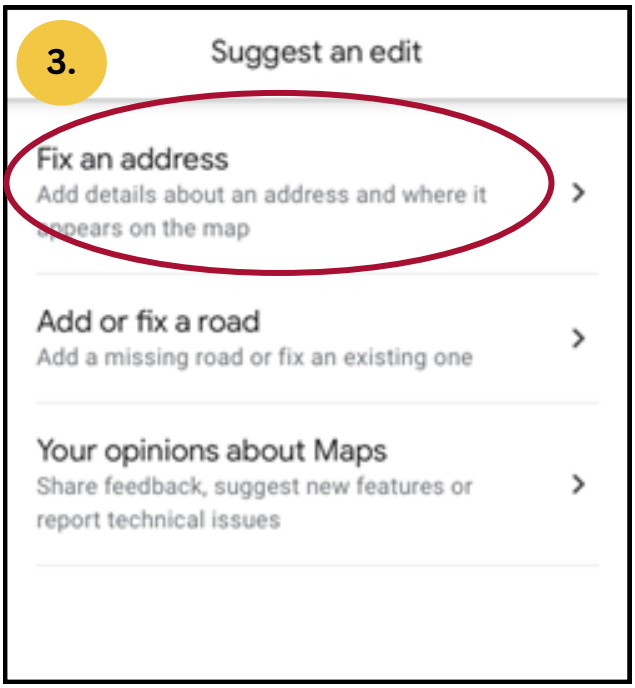
If Google Maps shows you the incorrect location, please **follow the guide below** to **report the issue**. The more reports we receive, the sooner Google can correct the address. We appreciate you taking a few minutes to help resolve this problem.

So far, we have noticed two wrong locations with the wrong address, please **follow the guide** on how to report it.

Wrong location 1:



HOUSING FOUNDATION COPENHAGEN



3.
Suggest an edit
Fix an address
Add details about an address and where it appears on the map
Add or fix a road
Add a missing road or fix an existing one
