HOUSING
FOUNDATION
COPENHAGEN

General information

The UMEUS staff team

The Community Managers are on site all weekdays. Their office is open Monday-Thursday from 9am to 3pm, and Friday from 9am to 1pm.

Phone: +45 22 27 99 13 email: valby@umeus.dk

UMEUS app

The app is used for reporting maintenance tasks, booking a group room or to receive general news and updates about the dorm. All written communication from the UMEUS staff will be distributed through the app.

You can download the app for your device by using one of the QR - codes below:

Google Play

Apple Store.

Social media platforms

It's possible to join the private Facebook Group / Instagram where you can communicate with other students living at Umeus Valby.

RA

Our resident assistant can be contacted at lifeatumeus@gmail.com. The RA is also available during office hours in the UMEUS lobby from 5pm to 7pm every Tuesday.

Access to the building and your studio:

Each tenant receives a key chip when they move in, it gives access to all street doors, personal studio and shared kitchen and **MyRenzBox** parcel box.

If your key chip stop working:

If your key chip suddenly stops working, we suggest that you try updating it first at the main entrance, by holding it up to one of the electronic pads outside on the building facade next to the main door. The electronic pad on the wall will light up green within seconds and your access chip should now be updated and working again. Please contact the community managers if it doesn't work.

If you lose your key chip:

During office hours you can replace a missing key chip in the UMEUS reception for DKK 100. Your old key chip will automatically be deactivated. It's **not** possible to request for an extra key chip when you are a Housing Foundation resident.

Studio access via mobile app:

You can get your studio key chip on mobile phone as a backup. Download "**JustIN**" mobile app and come by the Community Managers office and they will activate it.

Getting locked out of the building:

If you get locked out either of the building or your own studio after office hours or in the weekend, you need to contact **GP Gruppen at phone number + 45 33 33 55 00**. They will come to the site and assist. Please bear in mind that there will be a considerable fee. **GP Gruppen is also available 24 hours for emergencies (e.g. electricity loss, burst pipes, broken window, water shut off etc.)**

Main doors: SALTO locks

All main doors have Salto locks that run on batteries. The Salto unit locks generate an error code, approx. 50 times before the battery runs out, which means you have limited time to react before things go wrong. The error code presents itself by flashing a red light approx 5 times and then green. Please contact the community managers if it doesn't work.

Mail box

Twin units are sharing their mailbox, but they each get a key. Here regular letter mail is delivered.

Parcel deliveries

UMEUS valby has a safe parcel delivery system, so you can receive parcels at home, by using GLS or PostNord, even when you arent home. When you move in, you will receive an email from **MyRenzbox**. Parcels and larger deliveries are then stored in the large black parcel box with individual compartments. Please pick up your parcel as soon as possible, as space is minimal.

WIFI

The internet is provided directly by **DKTV**. If you experience problems with your internet connection, please contact: their customer service directly at:

+ 45 69 12 12 12. Opening hours Mon-Thursday: 8am-4pm, Friday: 9am-3.30pm

Its possible to connect to the wifi in the common areas. Open the list of available wifi-networks. Select "EXCHANGEi" and then use code "UMEUS2500" to sign in.

Please note that this network is exclusively for UMEUS Valby residents.

Laundry

Its possible to access the laundry on the ground floor, up the steps. **Opening hours Monday- Friday: 6am-01am. Saturday and Sunday: 7am- 1am.**

The laundry is run by **Miele Pay Per Wash**. Payment is collected instantly.

If you experience any issues with your PayPerWash account, please contact customer service by phone directly at **+ 45 97 14 54 62**, all weekdays between 8am and 5pm or by email: **support@payperwash.com**.

'Do not add powder/liquid to washing machines. they come built in with detergent.

Bike Parking

UMEUS have provided plenty of bicycle stands on street level, just indoor in the building, which are both free. It is important that you use the designated bike stands as bikes left all over the premises can block entries and emergency exits.

Car Parking

Unfortunately there are no parking facilities at UMEUS Valby. Street parking outside the building is limited. Please remember to check the prices via street signs or online.

Fire alarm

It is strictly forbidden to smoke on all indoor areas of UMEUS, both room and shared spaces. As smoke quickly spreads in the building, the fire alarm can easily get activated and the smell of smoke travels through the air vent and can activate the fire alarm on other floors too.

Safety and security:

Securitas, security company, check the building and walk their rounds every evening, and lock up everywhere. CCTV has also been installed in all common areas of Umeus.

Noise:

Quiet hours and noise restrictions are in place 7 days a week after 11:00 PM.

Subletting:

Please note that it is **not** allowed to sublet your room/studio, this is also mentioned in your rental contract.

Kitchen table:

We strongly advice tenants to be carefull when using water, as the kitchen table is quite small and delicate and the cabinets easily can get water damaged.

Keep the floors dry

The floors in your rooms do not sustain water well. It is important that you do not spill liquids onto the floor without quickly cleaning it up again. It is also a good idea to leave a cloth or towel on the floor when you exit from a shower.

If the floors are damaged due to mistreatment it may result in a fee. These costs will be charged to you; therefore, do notify Housing Foundation immediately if you experience problems with the floors. Early repairs might save money.

Important: Please do NOT turn off the fridge upon move-out as this may result in water damages to the floor.

Avoiding mould

Mold occurs in a humid environment, especially in winter, when the air indoors is warm and therefore has a higher humidity than the air outdoors.

This moisture is released on the cold surfaces of the apartment as condensation. When the humid air condenses onto the cold surfaces of an apartment, it creates a perfect growth environment for mold fungi.

These often appear as dark spots, which later change color. Mold can be dangerous to humans and should be avoided at all costs in an indoor environment. If mold is not properly avoided, it can cause asthma, allergy, respiration problems and headaches. If condensation, large discolored areas, or mold stains occur, it is the tenant's duty to contact the Housing Foundation.

Please see below guide for keeping mold fungi out of your apartment:

- Let the ventilation run or keep a window open, both during showering and after showering.
- Wipe the walls and floor with a towel after showering. Make sure the room is thoroughly ventilated before the bathroom door is left open.
- Never air-dry clothes inside the apartment.
- Avoid blocking the airflow between any outer walls and furniture. Check the walls behind mirrors and pictures.
- If you exercise in the apartment, keep the door closed and make sure the room is ventilated throughout the exercise.
- Moisture at the bottom of windows or on cold windowsills must be wiped regularly.
- Air the room at least twice per day. To properly air out, open up windows at both ends of the apartment/room to create a draft and close them after 5-10 minutes. The radiators should be off while airing.

If you have questions please contact Housing Foundation or the Community Manager on site.
